REVIEWED BY:

The total operating budget for FY19 is \$3,820,215 which reflects an operational decrease of .3% or (\$12,526) from FY18. *

Total Combined Compensation of \$2,926,409 reflects an increase of .3% or \$84,365 primarily due to:

- Wages increased 4.5% or \$91,909 due to 2.7% wage increases and pay study increases.
- Health insurance decreased (\$22,402) due to health care savings by County of Albemarle.

Operating Cost of \$778,806 reflects an increase of 4.9% or \$36,609 primarily due to:

- Professional Legal reflects an increase of 25% or \$4,800 due to the fact that the legal fees have never been increased since the opening of BRJD.
- Maintenance Contracts (Equipment) increased 29.4% or \$25,000 due primarily to Johnson Controls HVAC maintenance contract and the CSI security system maintenance contract, which is no longer under warranty.
- Employee incentives which is a new account to be used as an awards program for employees.

Operating Capital of \$115,000 reflects a decrease of 53.7% or (\$133,500) and primarily consists of:

New security cameras, additional living unit chairs, a vehicle for snow removal and staff transport, new Encartele communication software/hardware and new gym flooring.

Operating Revenues reflects a decrease of .3% or (\$12,526).

REVIEWED BY:

BACKGROUND

BRJD began operations in 2001 with its own Security and Administrative policies and procedures that were approved by its regulatory authority (DJJ). BRJD utilized the personnel policies of Albemarle County with some minor modifications. The BRJD Commission approved BRJD employees to be governed by these modified policies on August 9, 2001. At the June 13, 2002 Commission meeting, Commission Member Robert Tucker, Jr., Albemarle County Executive, asked that BRJD continue reviewing Albemarle policies over time and modify them to reflect BRJD language where appropriate. Inderstanding that Albemarle County acts as fiscal agent for BRJD and many of the principles governing Albemarle County Personnel Policies are shared by BRJD, many of the modifications that followed were simply edits to fit BRJD's specific circumstances and to reflect BRJD's actual practice within the policy.

Albemarle County's P-05, Effect of Criminal Conviction or Arrest, was modified to reflect BRJD language/practice and the title of the policy was changed to Criminal Convictions / Motor Vehicle Violations. Both were approved by the Commission on February 9, 2006. While reviewing this policy recently, it became apparent that a section from Albemarle's P-05, which is still current, was omitted from the approved BRJD version of P-05. I have added this section back into BRJD's P-05 as it provides clarity and does not substantively change the flexibility it provides while addressing such personnel issues. I have also changed the title of the policy to Effect of Criminal Conviction / Arrest / Motor Vehicle Violations.

RECOMMENDATION

It is my recommendation that the Commission approve the attached edits to the existing, previously approved, BRJD P-05, along with a policy title change to *Effect of Criminal Conviction / Arrest / Motor Vehicle Violations*.

BLUE RIDGE JUVENILE DETENTION PERSONNEL POLICY

BRJD P-05

EFFECT OF CRIMINAL CONVICTION / ARREST / MOTOR VEHICLE VIOLATIONS

It is the policy of Blue Ridge Juvenile Detention to review criminal conviction and Department of Motor Vehicle violation information on applicants for all positions prior to their employment. It is the responsibility of the Superintendent to determine on a case by case basis whether or not a convicted offender will be employed considering the sensitive nature of the affected job, the seriousness of the offense(s) and the honesty of the applicant in completing the application form.

This is the second issuance of this policy, dated January 9, 2018. Approved by Blue Ridge Juvenile Detention Commission on

EFFECT OF CRIMINAL CONVICTION / ARREST / MOTOR VEHICLE VIOLATIONS

It is the policy of the Commission not to employ or to continue the employment of classified, professional or administrative personnel who may be deemed unsuited for service by reason of arrest and/or criminal conviction. An arrest or conviction of a crime, in and of itself, may not be an automatic bar to employment. Where an arrest or conviction relates to suitability of the individual to perform duties in a particular position, such person may be denied employment or be terminated.

Individuals applying for employment at Blue Ridge Juvenile Detention for any position shall be required to disclose prior convictions of law including minor traffic violations but excluding juvenile offenses. Information provided by applicants may be verified by work history, personal reference or criminal record inquiries to determine the applicant's acceptability for employment. Where a prior conviction is ascertained, the Superintendent, acting on behalf of the Commission, will consider the nature of the offense, the date of the offense, and the relationship between the offense and the position for which application is sought.

If an applicant makes any misrepresentation or willful omissions of fact regarding prior criminal history, such misrepresentation or omission shall be sufficient cause for disqualification of the applicant or termination of employment.

In the event that any employee, whether full-time or part-time, probationary of non-probationary, is arrested for a criminal violation of any kind, whether misdemeanor or felony, the employee is required to report such arrest promptly to his supervisor or department head within one (1) business day unless mitigating circumstances exist. This reporting requirement applies regardless of whether such arrest has occurred on-duty or off-duty. Failure to comply with this reporting requirement shall be grounds for disciplinary action, up to and including termination. In addition, all employees shall have the continuing duty to notify Blue Ridge Juvenile Detention of any arrest or criminal conviction that occurs subsequent to being hired by Blue Ridge Juvenile Detention.

Supervisors or department heads shall contact the Superintendent or designee upon receiving notification that an employee has been arrested. Blue Ridge Juvenile Detention reserves the right to determine appropriate disciplinary action in such cases, up to and including termination, depending upon the facts and circumstances surrounding the arrest.

EFFECT OF CRIMINAL CONVICTION / ARREST / MOTOR VEHICLE VIOLATIONS

Applicants for all positions, will be advised by a statement on the application form that they will be required to sign a statement before or at the time an employment offer is made which authorizes Blue Ridge Juvenile Detention to have a criminal conviction and motor vehicle violation investigation performed and that satisfactory outcome of the investigation is a condition of employment.

If an applicant for employment with Blue Ridge Juvenile Detention should refuse to permit a criminal history record search, that applicant will be removed from further employment consideration. Applicants who omit convictions from the application form will be denied employment for falsification of the application. A new application may be filed after three (3) calendar years provided the person at that time lists their convictions.

Once employment candidates have been interviewed, they will authorize a Child Protective Services search, Department of Motor Vehicles (DMV) records check and a criminal records background investigation. All written offers of employment will state that the execution of an authorization for Blue Ridge Juvenile Detention to conduct a criminal conviction/motor vehicle violation investigation and its satisfactory outcome are conditions of employment. The Business Office Manager of Blue Ridge Juvenile Detention will provide signed requests to Child Protective Services, DMV and Virginia Criminal Investigation Network (VCIN) in order to conduct the search for any criminal history record.

If a criminal record is obtained that would prohibit employment under Blue Ridge Juvenile Detention Commission policy, the applicant will be so informed, the application for employment will be removed from consideration, and the background check will be destroyed. If the response indicates a conviction(s), the response will be reviewed by the Superintendent who will make a decision relative to appropriate action to be taken. Once a criminal record has been reviewed and an administrative determination made concerning employment suitability, the record will be retained in a file separate from the official personnel file. Records of motor vehicle violation(s) information will be filed in the individual's personnel file as possession of a valid Virginia driver's license is a condition of employment. Conviction information received by Blue Ridge Juvenile Detention will not be disseminated to any third party not directly involved in the hiring process.
